NOMINATION OF MEMBERS REPRESENTING MINORITY COMMUNITIES.

1) The accompanying statement shows the communities that are entitled to a seat in the Rep. Assembly and the number of candidates belonging to the several communities that have been returned in the General Elections through Urban and Rural constituencies.

Musalman, Indian Christians, and the Depressed Classes are entitled to a minimum number of 18, 5 and 6 seats respectively. As 5 Musalmans have been returned in the General Elections, 13 more seats have to be allotted to them to be filled up through recognised associations and by nomination. There are 6 Associations shown in list "A" which are reported to be functioning according to rules. Orders are solicited in the matter of recognising these 6 Associations for returning a member each. There will then remain 7 seats which have to be filled up by nomination by Government. A number of applications have been received seeking nomination. It is, however, usual to call for recommendations from the several Deputy Commissioners before deciding upon the candidates to be nominated. If approved, the Deputy Commissioners will be requested to suggest for consideration the names of persons fit for nomination.

2) No one belonging to the Indian Christian community has been returned through General Elections. On the previous occasion, the Catholic Assn. of Mysore, Bangalore and the Indian Christian Assn.

3) The Depressed Classes are entitled to a minimum number of 6 seats, but the Govt. have ordered that the number may be increased up to 10. Only 1 member belonging to this class has been returned in the General Elections. Three Associations shown in the List "C" have applied for recognition and these are stated to be functioning according to rules. Orders are solicited in the matter of recognising these 3 Associations for returning a member each. Two more seats out of the guaranteed number remain to be filled up by nomination. The Deputy Commissioners of Districts may, perhaps, be requested to suggest the names of members of Depressed Classes who are fit for nomination and out of the names suggested by them a selection may be made for filling up the 2 seats that become available or a larger number, if qualified persons are forthcoming.

4) The other Minority communities that are entitled to have a seat under the rules are:--Beda, Gangakula, Idiga, Devanga, Neyge, Visvakarma, Uppara, Agasa, Thigala, Mahratta, Kumbara, Nayinda, Ganiga, Satani, and Modali. There are associations fit to be recognised representing the communities of Ganiga, Mahratta, Thigala, Modali, Neyge, and Bedars. These associations may, perhaps, be recognised for returning a member each. The other communities which have no associations

Submitted to His Highness.

Q. These papers relate to the reconstitution of the Representative Assembly in June next. According to the Regulation, the total number of members of the Assembly should ordinarily be 250, but the Government have power to increase the strength up to a maximum of 275 for removing inequalities, if any, of representation. According to the Government Order dated 9th October 1932 passing orders on the recommendations of the committee for re-allocation of seats in the Representative Assembly, 210 seats have been allotted in all to the several urban and rural constituencies and 19 seats to represent 14 recognised Special Interests. The number of seats for minority representation has been ordered to be limited as far as possible to the statutory minimum, viz., 35 seats.

General election.

All the 210 seats allotted to the urban and rural constituencies have been filled up in the General Election held in March 1937.

Minorities.

As regards the representation of minorities in the Assembly, the rules provide for a minimum number of 18 seats to the Mussalmans, 5 to the Indian Christians and 6 to the Depressed Classes. It is, however, proposed to give a slightly increased representation to Mussalmans and Depressed Classes by allotting them 19 and 7 seats respectively. It is proposed to give representation to Anglo-Indians this time as a special case. In the General Election, 5 Mussalmans have been returned, but no Christian nor a member belonging to Depressed Classes has been returned. Fourteen seats have to be given to Mussalmans, 7 to Depressed Classes and 5 to Indian Christians and 1 to Anglo-Indians. There are 15 other minority communities, either numbering over 20,000 in population or deserving of representation in the Representative Assembly, which have not secured any seats in the General Election and they have under the rules to be given representation. Nineteen seats have been assigned in Government Order dated 10th

Sir Pirza M. Ismail, K.C.I.E., O.B.E.,

Dewan of Mysore,

BANGALORE.

Respected Sir,

I beg to submit the following application to you that you will be kindly pleased to nominate me as a member of the Representative Assembly to represent the Adikarnataka community.

I am an Adikarnataka resident of Koratagere and I have got some landed property in that place. Since the completion of my High School education I have been working for the past four years for the social and economical welfare of my community by arranging meeting and conferences and also by using my influence in several bodies of associations with which I am connected.

I have been a nominated member of the Koratagere Town Municipality and of the Tumkur District Board and Government were pleased to nominate me to the Representative Assembly during the last three years. I am also doing active propaganda work on behalf of the Mysore State Harijan Sevak Sangha of which I am a member of the Executive Committee. I have taken up the construction wells for our community with the help of the Government and the District Board, in many places, I have been inducing the parents of our community to send their children to Schools. I also supervise half a dozen Schools which the Harijan Sevak Sangha is conducting in Tumkur District. The conferences which I arranged at Kodegenahalli, Koratagere, Devarayamadurga and other places were very largely attended and have done great good in educating the members of the community to give up evil habits like 'Basavi' system, extravagant marriage expenditure, animal sacrifice etc. I am now placed

in-charge of the Harijan Industrial Ashram which the Harijan Sevak Sangha is statting in Tumkur.

In consideration of these services and also to enable me to do my humble best for the amelioration of my community, I pray that you will be pleased to nominate me once again to the Representative Assembly on behalf of the Adikarnatakas of Tumkur District, for which act of kindness and generosity I shall remain ever grateful.
